P.O. Box 1450

Dear Sir:

This Information Disclosure Statement is being submitted under 37 C.F.R. §1.933, and not as a response to the Action Closing Prosecution under 37 C.F.R. §1.951.

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 118 references, of which 45 are enclosed/submitted.

Please note that we were unable to locate a copy of reference number 78: KARABATSOS, C., "Quad Band Memory (QBM) Technology", Kentron Technologies, Inc., April 2001, pp. 1-5. However, the reference was cited by Examiner Kenneth M. Lo in his examination of Application Number 11/142,989. Therefore, the Patent Owner kindly ask that the Examiner refer to Application Number 11/142,989 to obtain a copy of the aforementioned reference.

In an abundance of caution, the Patent Owner has also included a number of commonly owned issued patents, pending applications, and pending *inter partes* reexaminations as reference numbers 58-72 under "U.S. Patent Documents." These references may include related subject matter, but do not necessarily share a common priority claim with the U.S. patent subject to the present reexamination proceeding. These cited references could potentially include prosecution history related to the currently pending claims.

Application No.: 95/001,339
Filing Date: June 8, 2010

In accordance with M.P.E.P. § 2001.06(c), a number of the references identified herewith correspond to the existence of litigation and other information arising from litigation. The Patent Owner has included copies of the docket sheets for these litigations, along with copies of some of the papers filed in these litigations. The Patent Owner can provide the Examiner with copies of any other documents from these litigations, subject to the constraints of any protective orders or filings made under seal.

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing of a Notice of Allowance. This Statement is accompanied by the fees set forth in 37 C.F.R. § 1.17(p). The Commissioner is hereby authorized to charge any additional fees which may be required or to credit any overpayment to Account No. 11-1410.

Respectfully submitted,
